By Car

The easiest route to take from any direction outside of Bristol is to make your way to the M32 from the M4.

Come off of the M32 at junction 1 (the 1st junction), keep in the right-hand lane and at the roundabout take the 3rd exit onto the A4174 towards Filton.

Continue straight through the traffic lights by the University of the West of England (UWE) and straight over the next roundabout.

As you approach the railway bridge, move into the left-hand lane (pictured left) and—directly after the railway bridge—turn left into Emma-Chris Way, signposted Filton Abbey Wood Station.

Take the 2nd left-turn and you will see OC Robotics on the left with ample parking outside the offices. The main visitors' entrance is at unit 4.

By Rail

Filton Abbey Wood Station (unmanned) is a 400m walk from the office.
